

Hipside Peddler Route Stops

Austin Texas

Rev. 2022.5.27

Route Descriptions

East Side Ride – “This ride visits some of the best bars in Austin and is our most popular tour by far. Enjoy the hip atmosphere of East Austin as you cruise around in style on our luxurious peddler. We offer our guests a standard two-hour tour that will visit up to three stops of your choice. We also offer an extended three-hour tour that will visit up to four stops of your choice. **Please verify the daily opening times of each venue you’d like to visit prior to booking**, curated venue selections are available but not guaranteed.”

East Side Group Tour – “This ride follows the route of the East Side Ride, but is booked per-seat for smaller groups who don’t mind riding with new friends. For this tour, our trained Guides will select each of the stops according to the date and time of the ride.”

Craft Beer Tour- “This tour visits some of the best breweries East Austin has to offer. Enjoy flights of unique brews sure to excite your palate and spirit. Many breweries feature swag for purchase, and for our sour beer lovers - we’ve arranged a special extended Craft Beer Tour available upon request that features an intimate guided look at what goes into making your favorite craft beers. Please contact us for more information, availability and pricing on our behind-the-scenes tours.”
